I, the undersigned, hereby accept the above nomination for the position of the above Representative position(s), for the term(s) indicated. I understand that, should I be elected, I will be expected to put in an amount of time and effort in to my position and that I should consider the duties of this position to be of high priority. I understand that I will be representing the students my constituency, and I agree to conduct myself accordingly.

I agree that I will not begin campaigning for my election until after I have met with a member of the Elections Committee to review campaigning rules, and that I will comply with those rules.

Name (Print)	Userid (Quest ID)	Date

Nomination forms are due, either electronically to the Elections Committee or in paper to the MathSoc office (MC 3038) by or on Tuesday, January 31. If a member has any questions or concerns about the elections process, he or she should contact the Elections Committee at elections@mathsoc.uwaterloo.ca.

-
- 1 For precise definitions of the constituencies, consult the MathSoc bylaws (available at <http://mathsoc.uwaterloo.ca/>) or contact the Elections Committee.
 - 2 A member may submit nominations for multiple Representative positions for the same term. If he or she does, then unless the Elections Committee is informed that one or more are being withdrawn within 24 hours of the nomination period closing, then, for each term, the nomination for the first position listed will stand and the rest deemed withdrawn.
